Lindsey Krieger

Receptionist/Assistant

After many years of working at Rainbow Play Space Systems, Lindsey decided to change careers and follow her dreams of working in the veterinary field. She grew up on a ranch in Burke, South Dakota where they raised Hereford Cattle. They also had horses, chickens, dogs, and cats. Growing up showed cattle and horses in 4-H. Lindsey has always had a passion for animals drawing her into working within the veterinary field. Lindsey and her better half (as she calls him) Todd have three beautiful children; Loghan, Rhys, and Brody. The family shares their home with a lovable St. Bernard Poodle mix named Cooper Dobbs. Lindsey brings a friendly smile and endless care to our front desk, our clinic family, patients and their families.
